A PROFITABLE BUSINESS.

Private wires to New York, Chicago and New Orles

Few are aware how profitable a SUCCESSFUL town enterprise is. Here is history: "The Elyton Land Company, Birmingham, Ala., was incorporated in 1870 with a cash o, pital of \$100,000. The capital stock was then fixed at \$200,000. In 1883 a dividend of \$200,000 was deciared; 1884, 25 per cent; 1885, 45 per cent; 1886, 340 per cent; 1887, 2,205 per cent; 1888, 190 per cent, amounting in the agreement to \$5,570,000 paid in dividends in six years on an investment of \$100,000. The property is now worth probably \$5,000,000. Middlesborough, by, in two years became a city of \$000, its town company stock appreciated 650 per cent on original cost. Many other examples could be mentioned."

THE CO-OPERATIVE TOWN COMPANY.

Now in the way to surpass any such enterprise, is offering its stock on the installment plan. Small in-

The Matter That Troubled the Methodist Conference at Cunaba Today.

OMAHA, NER., May 3.—The second day's meeting of the quadrennial Methodist conference was opened with Bishop Merrill of Chi-.Page 10 | cago in the chair. The galieries and balconies Page 3 were crowded with sight-seers, mostly women. Pare 5 The devotionals were conducted by Dr. J. C. Hatzell, and after singing the coronation the minutes were read. Immediately there was trouble, as many of the delegates claimed that their votes had been recorded improperly. A heated discussion arose and an hour was lost taying to straighten out the records. It was finally discovered that the published report in the daily record was erroneous and peace was restored.

MELBOURNE, May 3. - The behavior of Deeming since he was sentenced yesterday has become more inexplicable than ever. There is portations of that article shall be subject to a strange mixture of sense and insanity in ali he says and does, the latter evidently assumed. No doubt he is laboring under intense excitement, finding bimself baffled at intense excitement, finding himself baffled at every point. He expected to procure a post-ponement of his trial and next a division of the jury on the plea of mental aberration put forward for him, and in delay he had even hope of making his escape. Now he is bent on an appeal, but there is no chance for him in this. No court is Christendem would grant it. His attropius lying and maligning.

DISTRICT PATENTS.—Patents have been issued to citizens of the District as follows: W.

E. Boulten, administrator for Ernest B. Rudolph, deceased, leading in device for overedge sewing machines, and Theodore B Timby, revolving tower fortification.

Commissioner Carter to Resign,—Commissioner Carter to Resign mad or attempt suicide, for although in high spirits, assumed or otherwise, he some-times drops into a moodness which looks ugly and dangerous, and when to approach or speak to him provokes threatening looks and language. All these things being considered by the jail authorities, it was decided to put the prisoner in irons and this resolution was carried into effect today.

THE EIGHTH VICTIM.

Another Death From the Philadelphia Thes ter Fire. PHILADELPHIA, May 3.—Everett Holmes of 205 Walnut street, Camden, one of the audience of the Central Theater on the night of the terrible fire, died at the Pennsylvania Hospital this morning, after suffering great agony for nearly a week, making the eighth person whose life was destroyed by the catastrophe. During most of the time Mr. Holmes was delirious, and he raved like a maniac, Late last night he became quieter, and then sank into a stupor, from which he never awakened. Holmes was burned about the face and hands, and the opinion of the hospital officials is that he must have in-haled some of the flames.
